Made by MJ

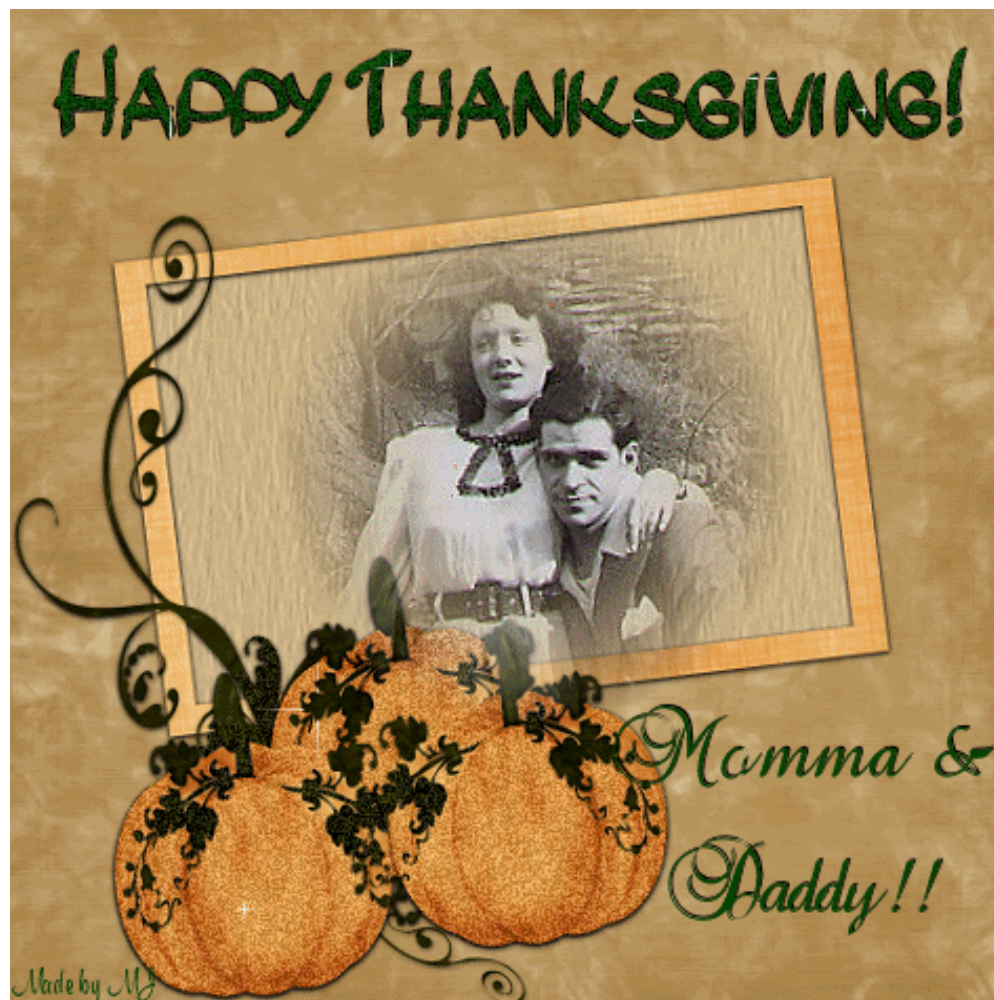

Angel

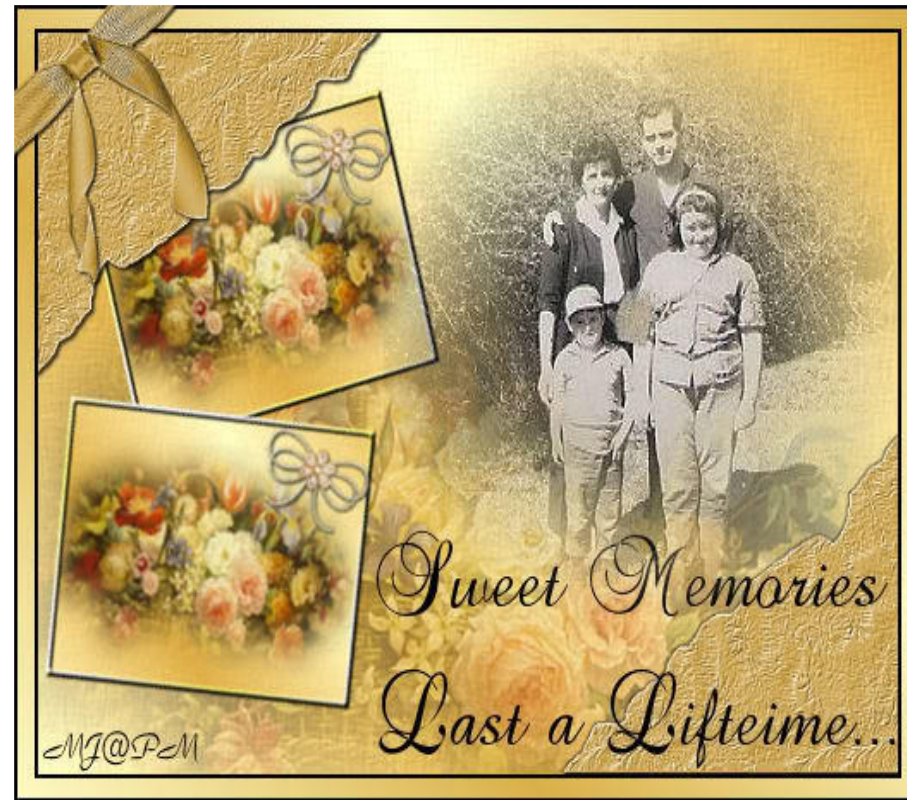

Those we love don't go away,
they walk beside us ever day.

Unseen, unheard, but always near,
Still loved, still missed and very dear.

As I loved you, so I miss you,
in my memory you are near.
Loved, remembered, longed for always,
treasured with a love sincere.
You are where I cannot see you,

and your voice, I cannot hear.

Yet I know you walk beside me,

never absent, always near.

Blessed By An Angel

God sent you to bless me from Heaven so high.

You watch over me daily from the azure blue sky.
You cradle me gently in your snowy white wings
you help me face up to what so ever life brings.
God truly blessed me from His throne high above
When He sent you to bless me and show His love.

***Happy Fall
Momma & Daddy!!!***

We lost daddy Father's day, June 21, 2009.

He fought a long hard battle and is now
with my momma. Daddy was a wonderful
musician, he played the trumpet in a
band during the 1940's and

also played the piano. He loved his
baseball and his football, especially the
Pittsburgh steelers.

I will love you forever daddy!

Momma was an angel, she loved everyone and

they loved her. She lost a long courageous battle with Ovarian Cancer on march 17, 2006, the darkest day of my life. She wasn't just my momma, but my best friend. Rest well momma and fly with the angels!

Happy Thanksgivings

A Message From Momma

Don't cry because I'm gone,

Smile because I'm home.

For I'm happy you see,

There is no more suffering for me.

Remember I'm with you at all times,

You just need to look for the signs.

I'm the sound of the chirping bird in the early morn,

I'm the soft gentle rain of a summer storm.

And at night when your asleep,

that's my gentle kiss you feel upon your cheek.

As I loved you in life, I love you still,

And when your journey there comes to an end,

I'll be waiting for you with an open hand.

I love you, Momma

Copyright MJ Buonpane

We miss you now, our hearts are sore,
As time goes by, we miss you more.
Your loving smile, your gentle face,

No one can fill your vacant place.

No matter how many years have passed,
you are always in my thoughts.
Your smile, laughter, young loving thoughts
are forever in my heart.
Not a day goes by that I don't think of you.
You blessed me with your love, your wisdom
and your unconditional support.
I feel so Blessed to have you as my Mother!
Until we meet again...

There comes a time for each for us
When nothing can be done
To ease the pain and sorrow
Of losing a beloved one
It's at these times we need
More than we ever could say
The quiet touch of understanding
The loving look or gaze
So rather than try to take away
The grieving feelings inside

Just know that I am thinking of you
And time will be your guide.

*We thought of you with love today,
But that is nothing new.
We thought about you yesterday,
And days before that too.

Now all we have is memories,
And your picture in a frame.
Your memory is our keepsake,
With which we'll never part.
God has you in his keeping,
We have you in our hearts.*

I am sorry I haven't visited in awhile but my husband had a bad reaction to the chemo and his legs swelled and got infected and my youngest daughter had brain surgery but I think of you every day, Marian

Heaven

October 15, 2009

Have you ever thought of heaven and how it will be up there.
Brushing elbows with Jesus Christ, as his hospitality you do share.
Have you ever thought of heaven, with it's streets all paved in gold, that reflects the Greatest Story ever told.
Have you ever thought of heaven and all the joy we will share.
There will be no room for hate and violence, to clutter up the air.
Have you ever thought of heaven and the special love that will be there
and the glorious reunion with our loved one's, that have gone ahead, to help prepare.
Yes, I have thought of heaven and the streets all paved in gold
and long to participate in the final act of the Greatest Story ever told.

Somewhere over the Rainbow

October 2, 2009

I'll paint you a Rainbow
to hang on the wall,
to brighten your heart
when the gray shadows fall.
On a canvas of joy

outlasting the years,
with a soft brush of sweetness
to dry all your tears.

I'll paint you a Rainbow
with colors of smiles,
That glow with sincerity
over the miles.

On a palette of words
I will tenderly blend
tones into treasures
of sunlight and wind.

I'll paint you a Rainbow
that reaches so wide,
Your sights and your sorrows

will vanish inside,
and deep in the center
of each different hue,
A memory fashioned
especially for you.
So lift up your eyes,
for suspended above,
A Rainbow designed
by the fingers of Love.

In autumn when the trees are brown
The little leaves come tumbling down
They do not make the slightest sound
But lie so quietly on the ground

Until the wind comes puffing by
And blows them off towards the sky.

The winds will blow their own freshness into you,
and the storms their energy,
while cares will drop away from you
like the leaves of Autumn.

A Hug From God

**Sometimes I think I've got it all together-
I've figured out what life is all about.
It lasts a while and then it always happens-
A curve-ball come that I can't figure out.**

**I struggle to find my way through all the darkness-
the more I try the harder it seems to be.
Until I reach a point of fear and desperation-
It hurts so much I fall down on my knees.**

**A hug from God will ease a broken heart.
A hug from God will fill your life with love.
A hug from God who is your loving father-
is always there- just look to him and pray.
Oh, God please send your loving hug my way.**

**The room grows quiet as tears stream down my face-
the pain inside is all taken away.**

A warmth surrounds my cold and shaking body-
As God's hand wipes the tears off of my face.

A hug from God will ease a broken heart.
A hug from God will fill your life with love.
A hug from God who is your loving father-
is always there- just look to him and pray.
Oh, God please send your loving hug my way.

ur guardian angel

August 26, 2009

There's an angel on your shoulder
Though you may not know she's there,
She watches over you day and night
And keeps you in her care.

There's an angel on your shoulder
Watching you learn and grow
Keeping you safe from danger
And nurturing your soul.

She'll be there through your triumphs
She'll dance on clouds with pride,
She'll hold your hands through
disappointments and fears,
Standing faithfully by your side.

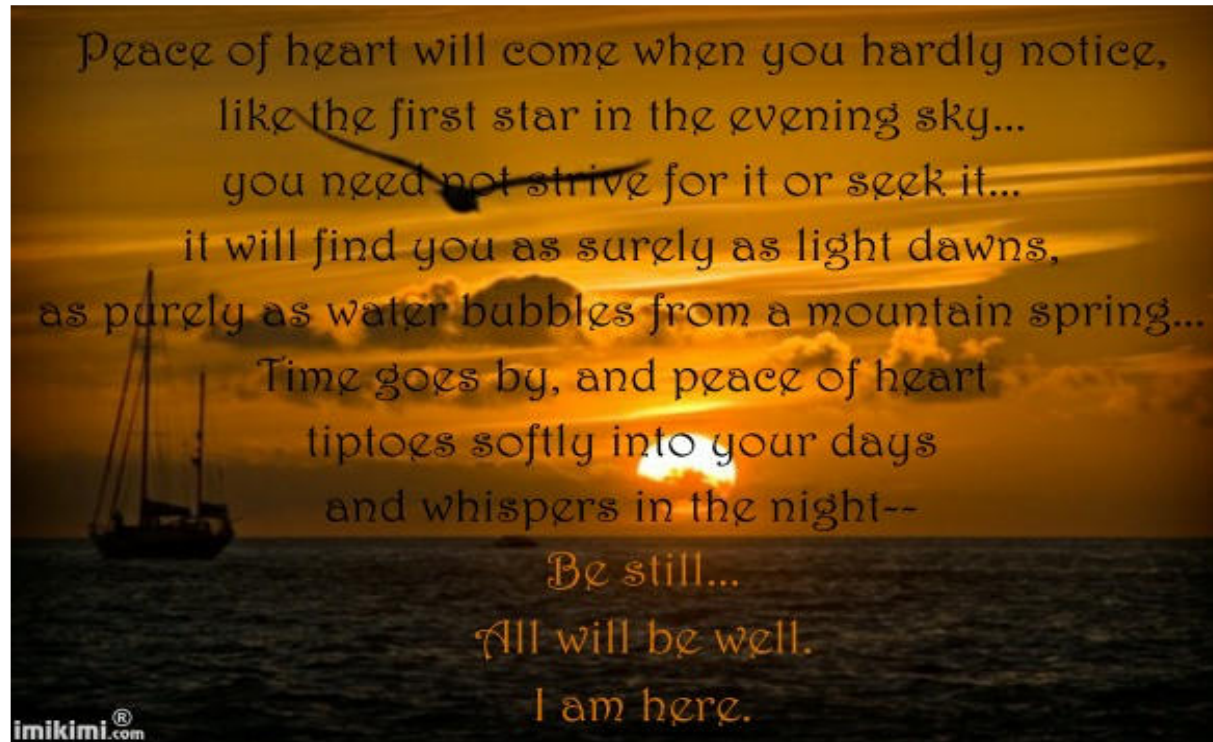

In her lifetime this angel was strong and true,
And stood up for what was right.
In your life you'll be faced with decisions and trials
And she'll shine down her guiding light.

Life holds so much in store for you,
So remember as you grow older,
There are no heights you cannot reach
'Cause there's an angel on your shoulder

Peace

August 25, 2009

Peace of heart will come when you hardly notice,
like the first star in the evening sky...
you need not strive for it or seek it...
it will find you as surely as light dawns,
as purely as water bubbles from a mountain spring...
Time goes by, and peace of heart
tiptoes softly into your days
and whispers in the night--
Be still...
All will be well.
I am here.

August 9, 2009

Her Smile

Her smile is in the Summer
Her grace is in the breeze
She did not leave, she is not gone
It's only we that grieve.

It doesn't take a special day
To bring you to our minds
A day without a thought of you
Is very hard to find.

No longer in our hearts to share
But in our hearts you're always there
The parting and the heartaches
No one can ever heal
But our memories for safekeeping
No one can ever steal.

I'm sure you miss your parents, but I see them as being in a very peaceful and loving place, holding hands and just enjoying each other. No worry, no sickness, no pain, no hurt...I think the ones left behind do all the hurting and worry.

Light a candle for those we mourn.

Into a new life they will be born.

Do not look for them at the gravesite.

They are somewhere else radiating their beautiful light.

They have gone to a new world where there is no darkness, no pain.

Their light and essence will always remain.

Light a candle for those who have left this mortal place.

They are free to travel through time and space.

When we think of them, they are near.

When we sit in a beautiful garden. Their voices we hear.

When we listen to a divine symphony,

We close our eyes, their faces we see.

Light a candle for they have not really gone.

With each flickering flame, in your hearts they will always belong.

June 25, 2009

I thought I saw your face today,
in the sparkle of the morning sun.
And then I heard the angel say,
"Their work on earth is done."

I thought I heard your voice today,
then laugh your hearty laugh.
And then I heard the angel say,
"There's peace dear one at last."

I thought I felt your touch today,
in the breeze that rustled by.
And then I heard the angel say,
"The spirit never dies."

I thought I saw my broken heart,
in the crescent of the moon.
And then I heard the angel say,
"The Lord is coming soon."

I thought that you had left me,
for the stars so far above.
And then I heard the angel say,
"They left you with their love."

I thought that I would miss you so,
and never find my way.
And then I heard the angel say,
"They're with you every day."
"The sun, the wind, the moon, the stars,
will forever be around,
reminding you of the love you shared,
and the peace they've finally found.

Dear Nellie & John,

About 3 years ago when my Dad passed away, I was Blessed to cross paths with your beautiful family. Which is why my family and I feel so deeply saddened by the passing today of John. With great sadness and tears we shed, yet somewhere we can try and find a place of solace. Knowing that the Lord has brought this Angel back Home. Our thoughts and our prayers go out to your family Nellie & John. Margaret and Tony, we hold very dear to our hearts as we do you. May God forever Bless you dear Angels, and may you forever look upon your loved ones as you will be eternally loved/missed. Sending all of our love to you all always.

~BLESSINGS~

"BLESSINGS CAN BE A LOVING SMILE,

OR EVEN A SOFT TENDER TOUCH,

A KIND WORD SOFTLY SPOKEN.

THESE BLESSINGS MEAN SO MUCH!

BLESSINGS ARE A SPECIAL FRIEND,
BEING THERE IN TIME OF NEED,
LENDING A HAND AND ENCOURAGEMENT,
BY DOING A LOVING DEED!

BLESSINGS ARE WHEN SOMONE CARES,
WHEN OUR LIVES SEEM TO BE ADRIFT.
BLESSINGS ARE HEARING A PRAYER,
THAT GIVES OUR LIVES A LIFT.

BLESSINGS ARE KNOWING OUR GOD IS NEAR,
OUR EVERY PRAYER HE WILL HEAR!
GIVING US COMFORT, INSTEAD OF FEAR,
TRUSTING HIM WITH ALL WE HOLD DEAR"

Those we love are never really lost to us.
We feel them in so many ways...
Through friends they really cared about
and dreams they left behind.
In beauty that they added to our days,
in words of wisdom we still carry with us,
and memories that will never be gone.
For everywhere their love lives on!!

Blessed Mother's Day

May 9, 2009

Remembering Mom

**Happy Mothers day is here once more
But on this special day, I softly mourn,
For my mother is home with the angels
Where her heart has been re-born.**

**I try to keep my brightest smile
For those around to know,
But deep inside there's a little cry
For I miss my mother so.**

**I'd love to sit again and hold her hand
As I am lonesome for her all the while,
But I'm also glad for her to be in heaven
Restored with her sweet smile.**

**I know God took her when His time was right
So no more suffering she would see,
The burdens of her mother heart
Are gone eternally.**

How I cherish all the special ways
She poured forth of her tender love,
Giving selflessly, dear Mom, now resting
Rewarded in her Lord above.

Dear Mother mine, I may be sad today
Missing the one that I adore,
But one day soon we'll be together
Close, just like we were before.

THINKING OF YOU 4 MOTHERS DAY♥

May 8, 2009

♥MOTHER♥

God took the fragrance of a flower,
The majesty of a tree,
The gentleness of morning dew,
The calm of a quiet sea,
The beauty of a twilight hour,
The soul of a starry night
The laughter of the rippling brook,
The grace of a bird in flight,
Then God fashioned from these things
A creation like no other,
And when His masterpiece was through,
He called it simply...MOTHER

A candle to remember, may it burn ever so bright
As we look to the heavens on this very night.
Beyond the stars, our dear angel soars
Embraced by our Savior on heaven's shores.
As the angels protect and sing our angel's sweet name
We honor our angel's life with the glow of this flame.
So we light this candle for our loved one tonight
As a symbol of our love and their eternal life.

THINKING OF YOU♥

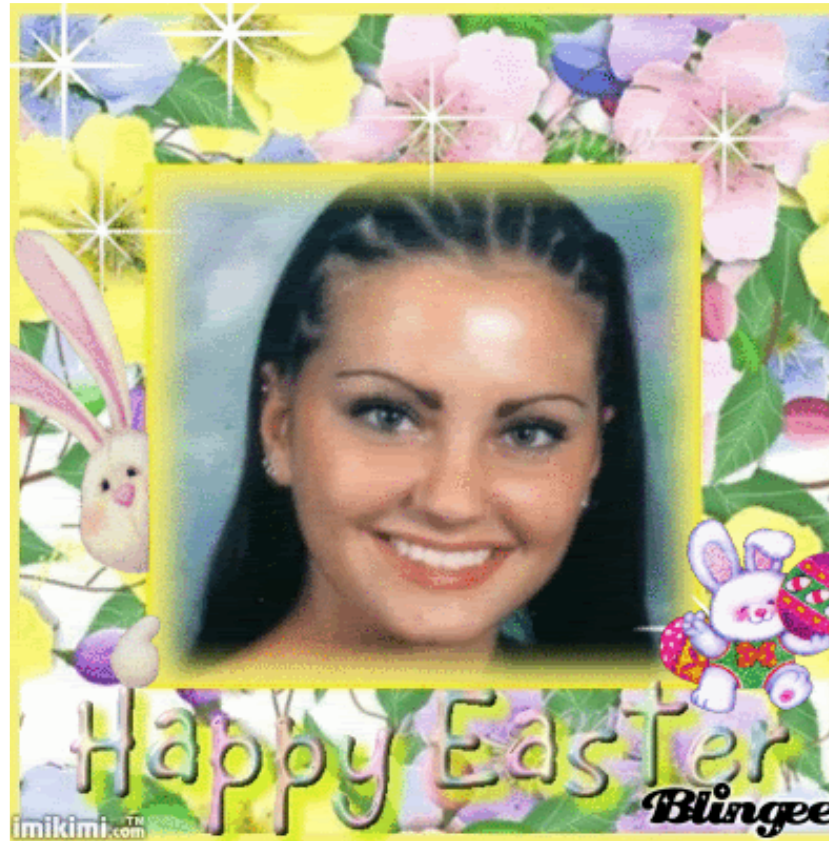

April 13, 2009

"If I could catch a rainbow,
I would do it just for you,
And share with you its beauty,
The days you're feeling blue.
If I could build a mountain,
You could call your very own.
A place to find serenity,
A place to be alone.
If I could take your troubles,
I would toss them in the sea.
But all these things I'm finding,
Are impossible for me.
I cannot build a mountain,
Or catch a rainbow fair,
But let me be what I know best,
A friend that's always there! "

My Special Angel And Star

Your words were always gentle, loving and kind.
A more caring person would be a very rare find.
Your light shone out so bright each and every day.
Many lives were enriched as you passed their way.
I miss you with such pain that it's beyond any belief.
My days are filled with sweet memories and grief.

The fabric of my life was ripped apart from pain
And it can't be mended until I can see you again.

~For Your Angelversary Nellie with all My Love~

I Believe in Angels

A decorative graphic featuring the text "I Believe in Angels" in a gold cursive font. A gold star is attached to the end of the word "Angels" by a thin gold line.

A Poem for My Momma

Is this true, how could it be? Is it truly year number three?

My life is so empty & sad without you, cannot think straight, don't know what to do.

I think of you everyday, as memories of you simply replay. My sadness & hurt is so very deep, it is so painful & real for me, oh Dear Momma how I wish you could see.

Photos, & items left behind. I will forever treasure them as they are mine. I miss your smile, I miss your face, above all my special Momma, I miss your embrace.

My life was shattered when you left. I sat and wondered and often wept. I ponder the thought of why oh why??? I was praying it was all a lie. My beautiful Momma, how I love you, how I miss you, for who you are and what you do.

Tears will fall down on my face, until one day I'm with you in that place. Until then, I know there is no visits, there is no phone, just be at the door there for me when I see you at home.

God Bless You Nellie, and may you always be near to Margaret, Tony and your husband. You are forever loved & eternally missed. Sending my love to you on your Angel Date & for always.

Love you,

Melissa

A Message From Momma

March 6, 2009

A Message From Momma
Don't cry because I'm gone,
Smile because I'm home.
For I'm happy you see,
There is no more suffering for me.
Remember I'm with you at all times,
You just need to look for the signs.

I'm the sound of the chirping bird in the early morn,

I'm the soft gentle rain of a summer storm.

And at night when your asleep,
that's my gentle kiss you feel upon your cheek.

As I loved you in life, I love you still,
And when your journey there comes to an end,
I'll be waiting for you with an open hand.

I love you, Momma

Special Angel Momma!

March 3, 2009

*My Special Angel Momma
She's always watching over me,
I feel her presence near,
She's always here to listen
and guide me through my fears.
She's a very special angel,
one God chose just for me,
She was my mom here on earth,
but that was not long to be.
God called her home one night,
And my fear and rage did not see,
If He was such a loving God,
Why take my mom from me.
But in time I saw the plan,*

*He unveiled for me to see,
He had taken my mom away,
But he gave her back to me.
There was just one major difference,
about this wondrous thing,
She had traded in her house-dress,
for some snow white angel wings.
From Lynn Owens, Thank you from the bottom
of my heart!!!*

The image features two roses, one smaller and one larger, positioned in the upper right quadrant. They are set against a textured, mottled background of warm, earthy tones, including shades of beige, tan, and light brown. The overall aesthetic is soft and nostalgic.

Memories

all the gray you turned into colors...

Margaret

Momma, it was 3 years ago tonight that I was to spend my very last night with you ever. Little did I know that you were going home the next day. In my mind, you were going to be fine, you were never going to leave me, but God had other plans. I know you suffered so much at the end, for someone in so much pain, you were so very brave. Even though my heart is broken into a million pieces, I know that you are happy and whole. I will try to go through this world without your physical presence and when this journey for me is over, I know you will be there to take my hand. I love you momma, so much! I miss you every second of every hour of every day!!! Margaret

The background of the entire image is a textured, mottled brownish-gold color. In the upper right quadrant, there are two roses. The one on the left is a smaller, tighter bud, while the one on the right is a larger, more open flower with many layers of petals. The roses are rendered in a slightly darker shade of the background color, giving them a subtle, embossed appearance.
